**Vocational Programs That Serve The Community**

The Works
- Building 16
  This is a client-centered vocational program providing car washing, picture framing and recycling services. Inpatients and outpatients also have the opportunity to develop other work related habits.

**Horticultural Program/Greenhouse**
- Building 20 – This is a client-centered program in a greenhouse setting. Patients in this program participate in planting, caring for and selling both indoor and outdoor plants. Patients also have the opportunity to develop other work related skills. The program is open to patients, staff and visitors. Hours of operation are 8:30 a.m. – 3:30 p.m. This program is closed from 11:30 a.m. to 12:30 p.m. for lunch. (Hours of operation may vary due to program demands).
