

# **United Nurses of Alberta Local 183 Education**

## **MIND MATTERS**

**We are delighted to have two expert speakers:**

**Dr. Andrei Poukhovski** is a Consulting Psychiatrist at the Edmonton Mental Health Clinic and well known as a compassionate and artistic practitioner. Clinical Hypnosis is an essential part of Dr. Poukhovski's practice. Many of us have enjoyed his music as RxSonic. He will present on Trance, Hypnosis, and their Practical Applications.

**Dr. Wendy Austin** is a professor for the Faculty of Nursing at the University of Alberta. She is a dynamic speaker and author of the Psychiatric and Mental Health Nursing Practice textbook and other numerous publications. Her research explored core elements of relational ethics. She will present on healthcare environments and their impact on healthcare practice.
